

Call for Papers and Early Career Awards Competition

International Geographical Union Taskforce for Young and Early Career Geographers

International Geographical Union Regional Conference, August 6-10, 2018 at Quebec, Canada

Call for Papers

Dear colleagues:

The International Geographical Union's Taskforce for Young and Early Career Geographers (IGU-YECG) was launched in 2016 at the 33rd International Geographical Congress held in Beijing, China. The founding steering committee comprises ten members from across the world, and committed to the aim to stimulating participation and representation of young geographers in IGU activities.

Based on the success of the inaugural session and master class at the IGU Beijing 2016, at the 2018 IGU Congress in Canada, the IGU-YECG is organising paper session(s) which focus on young and early career researchers. There is cutting edge research by young and early career scholars internationally which deserves to be recognised and celebrated. The paper session(s) will present an opportunity for young scholars across the world to present their research in any relevant geography-related field. The IGU-YECG is committed to diversity in its membership and its activities. We encourage diverse opinions and viewpoints in all sessions we sponsor.

To take part in these paper sessions, please submit your abstract on the conference website by **March 15th, 2018**. Please see the conference website for more information including the conference's theme: Appreciating Difference (<http://igu2018.ulaval.ca/>).

Important deadlines:

Submission of abstracts	15 March 2018
Conference Registration - Early Bird	31 January 2018
Conference Registration - Regular	1 February 2018 to 31 May 2018
Notification of acceptance to authors and mailing of invitation letter	1 May 2018
Conference Registration – Late	1 June 2018

The International Geographical Union's Taskforce for Young and Early Career Geographers promotes research, education and achievements of early career geographers in the developed and developing world. The taskforce members conduct research across an array of topics, including agriculture; gender; environmental governance; urban policy; population; migration; poverty; food systems; energy and infrastructure; and youth. Early Career Awards Competition

The IGU-YECCG is also delighted to announce our Young and Early Career Geographers Awards Competition, as part of the IGU's 2018 Quebec regional conference.

IGU-YECCG Late Dr. Manju Singh Paper Award

Submissions of research paper(s) are invited for the 2018 IGU-YECCG *Student Paper Competition*. The award is instituted in the memory of Late Dr. Manju Singh, a young and dynamic academic who left for her heavenly abode after a prolonged illness. Prof. R.B. Singh, Vice President, International Geographical Union has been generous enough to provide financial support for this award. An award of **CAD 200** will be provided to a current PhD student submitting a first-authored, original research paper dealing with relevant geographical research in any part of the world. Papers should be no longer than 7,000 words in length, excluding references. Please see *information* for IGU-YECCG competitions below for additional information and requirements.

IGU-YECCG Student Registration Fee Waiver Awards

The International Geographical Union's Taskforce for Young and Early Career Geographers (IGU-YECCG) invites paper submissions for the 2018 IGU-YECCG Student Paper Competition for *Registration Fee Waiver Awards*. **Four awards** to cover IGU Quebec Congress early bird fee of CAD 325 will be given to current PhD students submitting a first-authored, original research paper dealing with relevant geographical research in any part of the world. Papers should be no longer than 7,000 words in length, excluding references. Please see *information for IGU-YECCG competitions below* for additional information and requirements.

Information for both competitions

Submission deadline: March 15th, 2018.

- Please submit *one* PDF/MS-Word document per award via e-mail attachment to Komali Yenneti (k.yenneti@unsw.edu.au) and Gaurav Sikka (gauravsikkageo@gmail.com) The document should include full paper, cover sheet, abstract and a CV (maximum of 3 pages).
- Cover Sheet: Please attach a cover sheet to your submission, including your name, e-mail contact information, affiliation, paper title, and the word count of your paper (excluding references).
- Formatting: 12-point font, A4 paper size, 1-inch (2.54cm) margins, 1.5 spacing, footer with page numbers.
- References and Style: Please follow the *Chicago Manual of Style*.
- Submissions for the IGU—YECCG *Student Registration Fee Waiver Award* will be reviewed by a panel of IGU-YECCG steering committee members and IGU Executive committee senior members.
